

# Full-Time Master's

Across industries and career paths, great business leaders share a common attribute: **an entrepreneurial mindset.**

## ENTREPRENEURIAL LEADERS ARE THE FUTURE.

Entrepreneurial leaders do more than just start businesses. They lead change from within large organizations. They make communities around the world better by tackling global social issues. They think and act entrepreneurially when faced with challenges. Entrepreneurial leaders see problems as opportunities, and they know how to take action.

The world is different now than it was even a few months ago. Higher risk, bigger opportunities, more value to be created. Entrepreneurial leaders are made for this moment. They are the innovators our world needs now.
