

# Optimize Your Potential with a Babson Graduate Degree

## Have you considered continuing your education by applying to a full-time specialized Master's program?

We believe the world needs entrepreneurial leaders like our students now more than ever. Maybe you aren't sure yet what your plans are post-graduation, or maybe they've changed in light of everything that is happening in the world. You are not alone! With a Babson graduate degree you will continue to build the skills employers want, position yourself to stand out in the job market, increase your earning potential, and further develop your entrepreneurial, make-it-happen mindset.

### Babson Collaborative Scholars Program

Students and recent alumni of Babson Collaborative\* member institutions who are nominated by their faculty for one of Babson's specialized Master's degrees (see below) will have access to the following benefits:

- » \$10,000 scholarship
- » \$100 application fee waiver
- » GMAT/GRE waiver
- » A designated admissions counselor to assist during the application process

PROGRAMS AVAILABLE

#### Master of Science in Business Analytics (MSBA)

Become an entrepreneurial thinker who can use business analytics to transform information into innovation for any organization. Learn how to synthesize and draw insights from complex data, enabling you to tell an effective story and impact business strategy as part of this STEM-designated program.\*\*

#### Master of Science in Management in Entrepreneurial Leadership (MSEL)

Learn how to innovate and inspire early in your career when you enroll in the No. 1 graduate program for entrepreneurship. Grow your network in less than a year with a diverse, tight-knit community of peers.

#### Master of Science in Finance (MSF)

Take your finance skills to the next level with a STEM-designated degree designed to advance your career in as little as nine months. With professional-grade tools and resources, master the financial modeling and coding skills employers are seeking.\*\*

*\*The [Babson Collaborative for Entrepreneurship Education](#) is a global institutional membership organization connecting universities around the world that are building and expanding their entrepreneurship ecosystems. The nominating faculty and the nominated student(s) must be from a [current member institution](#).*

*\*\*International students who enroll in the MSBA and MSF programs may be eligible for STEM OPT to work in the U.S. for up to three years post-graduation.*
