

# BABSON COLLEGE

Babson Collaborative for  
Entrepreneurship Education

## FACULTY & STAFF GUIDE TO THE BABSON COLLABORATIVE

On behalf of the **Babson Academy**, welcome to the **Babson Collaborative for Entrepreneurship Education!** As director of the Collaborative, I am here to assist you in navigating our many resources and opportunities and making connections with other members. Please email me anytime!  
Sincerely, Jamie Kendrioski

---

*How can you benefit from your school's membership in the Babson Collaborative?*

### GET STARTED

#### 1. Join our Mailing List

Email me to confirm you are on the mailing list to receive Fieldnotes and news about special events and opportunities.

#### 2. Join our WhatsApp Community

Download WhatsApp (free), then email me your name, institution a mobile phone number (with country code).

#### 3. Gain Access to the Member Portal

Our primary platform for engagement is the **Collaborative Member Portal**. Some pages are public but access to most of the content requires login credentials. Review the **Guide for Accessing the Collaborative Portal** then **START HERE**.

- To gain access to member content without creating a profile, click here and open the REGISTER tab.

#### 4. Explore the Member Portal

- **Events Calendar**: Review all upcoming programs, events and deadlines.
- **Academic Content Library**: Materials such as course syllabi and exercises are available for download.
- **Faculty & Staff Directory**: Search for members with particular interests and expertise.
- **Fieldnotes**: Read recent issues of our monthly newsletter (called "Fieldnotes") to catch up on news and events.

### GET ENGAGED

#### • Get active on WhatsApp

Ask questions, make requests, share events, and respond to other members' posts.

#### • Attend webinars and community conversations

#### • Utilize the Academic Content Library

Download materials such as course syllabi, assignments and class exercises, and share your content with others.

#### • Join the Collaborative Research Group

Research topics include: entrepreneurial ecosystems, open innovation and GEM. Learn more here.

#### • Invite a Collaborative member to be a guest speaker

Utilize the **Faculty & Staff Directory** to find a guest lecturer, panelists, competition judge, etc.

### INTERESTED IN A CERTAIN TOPIC?

Identify other members with similar interests and/or find related content and Collaborative opportunities.

- Utilize our WhatsApp Community (ask for advice, resources, referrals).
- Search the **Faculty & Staff Directory** (filter by primary discipline, research interests, etc.).
- Search the **Academic Content Library** for members who have authored related teaching materials.
- Search for related webinar and summit recordings.
- Email me for help
