Babson Collaborative for  
Entrepreneurship Education

## GUIDE TO ACCESSING THE COLLABORATIVE MEMBER PORTAL

Collaborative members gain access to our exclusive online community, including the primary platform for member engagement, the Collaborative Member Portal, found at [www.babsoncollaborative.org](http://www.babsoncollaborative.org). The Portal houses an academic content library, webinars, member directories, newsletters, and detailed information on Collaborative events, opportunities and special projects.

Member-only content is accessible via the [MEMBER LOGIN](#).

When registering to access the portal, faculty and staff create a profile. The form solicits information such as position, academic discipline, research interests, etc. that will feed into the [Faculty & Staff Directory](#) that all members can view.

## GAIN ACCESS WITHOUT CREATING A PROFILE
